How does **NEEM MAX** work?

Issue	Cost	Included in NEEM MAX	Amount covered
Fever	7000	No	NA
Cataract	15000	No	NA
Heart attack/stroke	65000	Yes	65000 - 25000 = 40,000
Accident	150,000	Yes	150000 - 25000 = 125,000

We don't cover all hospitalisation, only the ones that cost you a lot (> 25000)

Mission

Dvara Health Finance's (DHF) mission is to ensure that spending on health translates into better financial and health outcomes for all Indians. We will do this by giving households a better way to pay for health and improving the value derived from health spends.
