 Vision and Mission

THIS IS A GUIDE TO HELP YOU UNDERSTAND  
THE BASIC ELEMENTS THAT MAKE UP  
NEEM PLAN/NEEM ACCOUNT/NEEM PAY

# OUR BRAND

Aiming to provide a structured finance approach to health events.

Dvara Health Finance, through its Neem Health product, allows account holders to save money into a dedicated account for medical expenses. Driven by a subscription model, the account will come bundled with health insurance and access to unlimited primary care consultations across an accredited network of general physicians.

With a focus towards patient wellness and effective utilisation of primary care services, the account's objective is to ensure financial adherence through commitment savings and an improved health outcome for account holders and their families through regular access to general physicians while protecting them from a financial shock/vulnerability that a health event may pose.

# Vision

To make sure that spending on health translates into good outcomes and that no household falls into poverty because of medical expenditures.

# Mission

To provide access to tailored financing and navigation services for households with a high reliance on out-of-pocket spending.

# Our Values

- Respect and dignity for all users: irrespective of their economic and social context.
- We meet customers where they are and without judgment. We trust that our customers are doing their best to improve their circumstances even if their choices don't always make sense to us from the outside.
- Equity: we believe everyone deserves access to quality health care.
- Evidence-driven: all our health interventions will be supported by proven science and standard-of-care practices.
- Expertise: we will bring the best of expertise to all our efforts and continuously invest in our own capabilities to serve our customers and partners better.
- Personal accountability: we believe that we can support our customers by providing good advice and access to services and we will leave no stone unturned in our effort, but we also recognise that the commitment to good health must come from each person.

# Brand Impact

Reduce stress and anxiety associated with unexpected medical expenditures. No need for emergency borrowing from friends & family

Better planning for health resulting in lower morbidity and higher sense of well-being. People can lead richer and fuller lives

Comfort of knowing there is a trusted service to whom they can turn to for good advice and guidance. Peace of mind.

# Brand Personality

- a. Listening without judgment: We will listen deeply to you. We will not dismiss your fears or your questions. You can speak to us in the language you are comfortable with.
- b. Reliable: we will be available to you in your time of need. You can reach us for support in emergencies at any time of the day or night.
- c. Household-focused: we care about the health of every member in the family and recognise that each of them may have different needs
- d. Convenience: we respect your time and will avoid un-necessary waiting time. We will be available to you on phone and in person, depending on the situation. We will work with providers in your neighbourhood that meet our criteria.
- e. We recognise that you are spending your hard-earned money for your family's health. We will be very focused on value-for-your money. We will never ask you to take an un-necessary medicine or lab test. We will only work with providers who are committed to improving your health outcomes. We don't make any money from commissions on medicines or tests or consultations and never will.

3 Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting,

remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

# Graphic Device

## Stages of Leaf

The graphic device of the Stages of Leaf is taken from the NEEM Identity and is a manifestation of the different stages of life, growth.

It visually illustrates the welcoming personality of the brand.

## Graphic Device

# Do's

The graphic device of the Stages of Leaf is a key component of the Dvara Visual Language. The form is adaptable and can be used in multiple sizes depending on the application and the impact required to represent the idea of liberation.

The graphic device is primarily used in conjunction with the headline or

imagery to draw attention to the key element in the communication.

The graphic device should be applied purposefully. There is no definite size for the graphic device. Ensure that it is used aesthetically to complement the NEEM Identity.

The colour of the graphic device will be green, blue or white on any other solid background.

## Graphic Device

# Dont's

The graphic device of the Stages of Leaf should not be overlaid with text in a way that hampers reading or makes the text illegible.

It should not cut through people's images in photography since that implies division.

The Graphic Device should not be used decoratively.

It should be used in conjunction with imagery.

The size of the Device should not conflict with either the imagery, text or logo.
