OUR BRAND

DVARA E-REGISTRY is an agfintech startup building a digital platform to improve access to agricultural services, both financial and advisory, for all stakeholders in the agri value chain.

BRAND IMPACT

- Finance to Small and Marginal farmers
- Providing Backward and Forward Market Connect/Linkages
- Promoting Climate Smart Practices in Agri and Allied activities

BRAND PERSONALITY

GROUNDING RESILIENCE

Deeply rooted in the realities of rural agricultural communities, exuding an approachable, down-to-earth spirit that resonates with farmers.

INGENIOUS RESOURCEFULNESS

A problem-solving mindset, characterized by adaptability and inventiveness in empowering farmers with innovative solutions.

ECO-CONSCIOUS

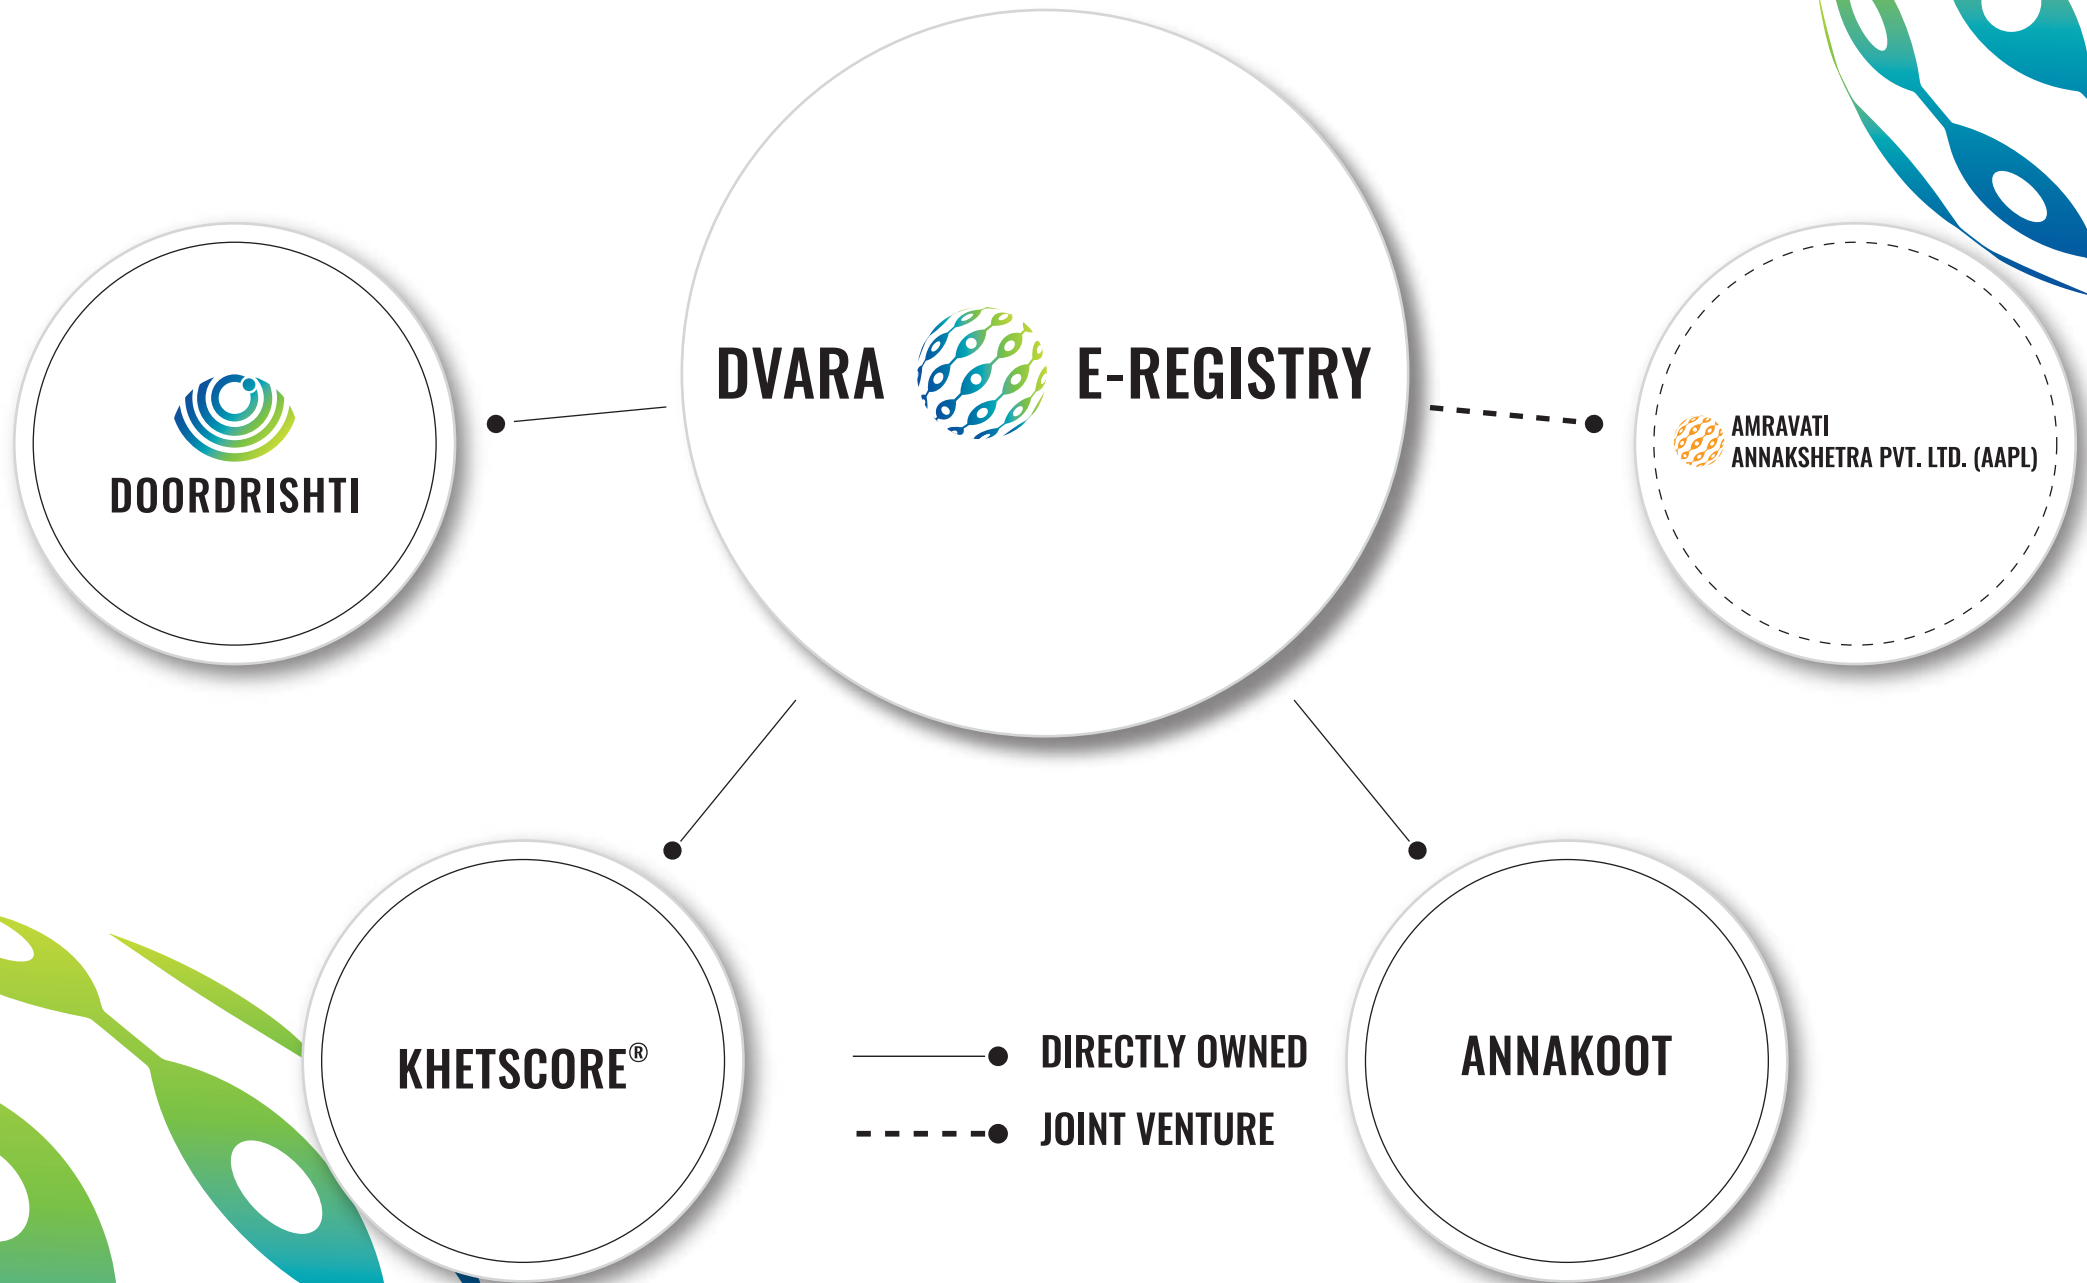

Embracing a forward-thinking, eco-conscious approach and climate-smart practices that drive positive transformation in agriculture.

THE IDEA

The symbol is a stylized globe icon composed of intersecting curves and leaf motifs in shades of green and blue. This modern, organic design symbolizes **DVARA E-REGISTRY'S** focus on leveraging technology for sustainable agriculture and global financial services through its Agri-Fintech solutions. The seamless, forward-moving lines convey innovation, growth and connectivity.

Brand Structure

DOORDRISHTI is a comprehensive platform that digitizes the operations of farmers and Farmer Producer Organizations, managing and analyzing data to offer a range of lending, analytics, and value chain services.

KHETSCORE®

KHETSCORE® is an innovative creditworthiness score developed by Dvara E-Registry to help financial institutions identify creditworthy smallholder farmers who lack traditional credit scores. Using remote sensing data, artificial intelligence, and a proprietary algorithm, **KHETSCORE®** analyzes a 3-year historical index of land analytics, considering factors such as crop health, soil moisture, and weather conditions. This score facilitates access to credit from institutional lenders, helping farmers avoid high-interest non-institutional loans. Dvara E-Registry leverages **KHETSCORE®** to provide seamless, doorstep access to institutional lending for farmers.

ANNAKOOT

ANNAKOOT, housed under Dvara E-Registry, is a retail brand delivering products directly from farmers to consumers. This brand stands for quality and authenticity, embodying a true farm-to-table approach. Initially, we will collaborate with Farmer Producer Companies (FPCs) in the Amravati region, focusing on dairy products to be rolled out under the **ANNAKOOT** brand name. Eventually, we will expand the product range under **ANNAKOOT** beyond dairy to include other categories and extend our operations to new districts. **ANNAKOOT** aims to be synonymous with organic, fresh, and best-practice farming, providing consumers with high-quality products while supporting local farmers in rural India.

**AMRAVATI
ANNAKSHETRA PVT. LTD. (AAPL)**

AMRAVATI ANNAKSHETRA PRIVATE LIMITED is a joint venture between **DVARA E-REGISTRY** and five FPOs in Amravati District, Maharashtra. Through this partnership, **DVARA E-REGISTRY** aims to provide management and organizational support to enhance the company's scalability, profitability, and sustainability. This strategic support complements the strengths of the other stakeholders, namely the FPOs, ensuring a successful and thriving collaboration.
